Since 2013, Aum Poly Pack has been a key player in the packaging industry, manufacturing a wide range of materials. Catering not just Mehsana and North Gujarat but spanning across India, our products are trusted by major companies. Aum Poly Pack takes pride as a nationwide provider, delivering reliable packaging that meets the diverse needs of our clients.

Aum Poly Pack, established in 2013, is a pioneering force in the packaging industry, dedicated to revolutionising the sector with innovative and premium solutions. Nestled in the heart of Gokul Industial Estate, our strategically located facility spans over 5000 square feet, serving as a cornerstone asset that ensures seamless accessibility for individuals across North Gujarat.

With a relentless focus on quality and excellence, we offer an extensive range of products tailored to meet diverse packaging needs. Our offerings include the manufacturing of Polyester Pet Patti, stretch film, air bubble packaging, LD Bag Liner/Rolls, Box Strapping Patti, BOPP Tape Rolls, and Non-Woven Fabric. From flexible packaging solutions to specialized materials for sectors such as food, pharmaceuticals, and consumer goods, we prioritize reliability and innovation in every product we have Deliver.

At Aum Poly Pack, we recognize the pivotal role packaging plays in preserving product integrity, enhancing shelf appeal, and driving customer satisfaction. Our unwavering commitment to quality, innovation, and customer-centricity underpins every aspect of our operations, ensuring that we continue to set industry benchmarks and exceed customer expectations.
